_____

Will you need an electrical outlet? ____

Any other information you would like to provide _____

_____

_____

_____

_____

_____

_____

Layout of the event, including table locations, is at the discretion of Library and is subject to many factors including assisting with crowd spacing and city requirements. Early receipt of information forms will assist in selection: “first come, first served.”

Vendors are allowed and encouraged to set up prior to event; please contact Kristin Jones at 479-621-1152 for available times and questions. The Library provides tables (1 per vendor), chairs, and limited outlets.

Please return this form by March 1.

You may drop the form off at the Library, mail it to the address above, or email it to kmjones@rogersar.gov.

We thank you for your interest and look forward to working with you.
