### **How to download eBooks to a Nook Color and Nook Tablets\***

1. Turn on your Nook and go to your “App store”.
2. Find and download Overdrive Media Console. Follow the prompts.
3. The Overdrive app will ask you go Sign Up. If you already have signed up with an Overdrive account on another device, choose the option that says Have an account? Sign in. If you have never used Overdrive before, press Sign Up. When you Sign Up, Overdrive gives you the option to sign up with Facebook or you can Enter your details.
4. Once you signed up, you must choose the library’s Overdrive website. On most NOOK tablets, you can do this by swiping from left to right to open the **Home menu**, then tapping **Add a library**. On a NOOK Color or Tablet, tap the  icon (or, if you don't have this icon, go to *Menu > Get Books*)
5. Touch Add a Library at the top. Enter 72758 in the Find a Library search field. Touch the Search button. Select Rogers Public Library from the top of the list. Touch the star that says ArkansasLibrary2Go to favorite our library.
6. Touch *Sign In* in the top right. At the login screen, select Rogers Public Library from the drop down menu. Type in your bar code number and PIN; tap ‘Login’
7. Tap on Browse or Search and select the area in which you wish to look.

8. From here, search for a particular title or just browse. Pay attention to the circle within the book cover to see if the title is an audiobook (a headphones icon) or eBook (a book icon). If a title is available, the icon will be dark gray / black and say Borrow when clicked. If it is checked out, it will be light gray and say Place a Hold when clicked.
9. With the Menu button, you can narrow down your search in a variety of ways: between eBooks or audiobooks, you can separate books depending on their genre, or you can separate them between age groups.
10. Once a title is selected, touch Borrow. You will automatically be taken to your Bookshelf where you can download your book. You are allowed five (5) audiobooks and ebooks at one time. They do not have to be checked out on the same day.
11. Touch Download. This opens OverDrive Media Console. Select Download Now when asked.
12. The MP3 or EPUB will be downloaded directly to OverDrive Media Console.
