

Bestsellers Club FAQ

Is the Bestsellers Club a good choice for me?

If you want to be one of the first patrons to read all the books by your favorite authors, then yes! If you would rather read at your own pace, you can still place reserves on items yourself.

How will I know if an item is ready to pick up?

When an item is ready, you will receive a notice according to the preferences we have saved in your account. That notice will have instructions on how and when you can pick up the item.

What does it cost?

Nothing at all! This is a free service. As of 2021, Rogers Public Library no longer charges any hold fees.

What if I want to make a change to my preferences?

Easy! You can always contact the library to update your Bestsellers Club preferences.
